Reminder:

Residents are reminded any garbage or brush from work performed in, on or around your house by an outside contractor **MUST** be **removed** by the **contractor**, as the town will no longer pick those items. There will be **no exceptions**. This service is for residential use only. If residents are cleaning out an entire house, they must hire a licensed carter with a dumpster at the property owner's expense. Contractors and landscapers **are not** allowed to place such items curbside for pickup. All landscapers and carters need to be licensed by the Town of Haverstraw.

Holiday Schedule

If a Holiday falls on a Monday, the Town of Haverstraw Highway Department will pick up on the following day.

Thank you for your understanding and cooperation.

Sincerely,

George E. Wargo, Jr.
