PUBLIC PARTICIPATION

Ilan Schulein, Thiells, New York asked the Supervisor about the resolution that the Town adopted regarding Section 41(j) of the Retirement and Social Security Law.

Supervisor Phillips stated that this resolution applies to all employees regarding their sick time. It is an incentive that allows the employees to save their sick time and credit it to their years of service. This is an incentive not to use your sick days.

Ilan Schulein, Thiells, New York inquired about resolution number 14 regarding Reimbursement for Property Damage – Annette Torres.

Supervisor Phillips stated that a Town vehicle ran into Mrs. Torres' car while it was parked in the Town Hall parking lot.

Ilan Schulein, Thiells, New York asked if the Supervisor could ask our County Legislator who represents our district to attend the Town Board meetings at least once a month.

Supervisor Phillips stated that he would mention this matter to the Legislator.

TOWN BOARD
GARNERVILLE, NY
FEBRUARY 11, 2008

Councilman Cancel suggested getting together with our constituents on Saturday mornings for coffee at the Kings Daughters Library.

Councilman Soto stated that we need to make our citizens from the different jurisdictions aware of these meetings through local T.V. so they can attend. Make an informal "Meet Your Candidates Night."

Supervisor Phillips stated that this is something that we can always do and include the Villages of Haverstraw and West Haverstraw. We have had these meetings in the past and they were attended poorly by the public. I have an open door policy and will continue to do so.

Rosie Senator, 117 Country Club Lane gave the Supervisor a letter regarding the reevaluation in relation to the Town and County Condominiums. The Supervisor stated that he would respond to her in a letter.

Councilman Soto stated that the Rockland County Journal News reported that sex offender Mr. Edwards failed to report as a registered sex offender. The County enacted a law that Level 2 sex offenders must live 1,000 ft. from school buildings. Mr. Edwards was in violation of that zone. Councilman Soto stated that he was proposing adopting a law changing the distance from 1,000 ft. to 2,000 ft. The Town Attorney needs to research this law.

Supervisor Phillips stated that this person moved in without notifying the authorities. Our Police Department took action and informed all of the residents and schools. This action by Mr. Edwards puts everybody at risk. Sex offenders are required by state and federal law to register. The Town is looking into this change in the law to see if it is something that we can adopt. If you make the law too restrictive, you are discriminating against them. Supervisor Phillips further stated that this man was in violation of the current law and if we consider anything, it must have the ability to pass the test of the courts. Nobody wants to put the current law that protects our children in jeopardy. We must be careful not to exclude sex offenders from certain neighborhoods.

Donald Buckley, West Haverstraw asked if the sex offender is a resident or a guest in the house?

Supervisor Phillips stated that if he is living there and if it's his domicile address, then he would be a resident.

Councilman Soto stated that he was concerned about providing safety and security for the residents. We need to have the other Village governments involved in order to provide foot patrol in other areas of the Town. I am sure my colleagues on the board will discuss these issues and look into the situation.

Supervisor Phillips stated that when we meet with Mayors Kohut and Ramundo this Thursday evening, foot patrol will be discussed. Crime activity is occurring around 6:30 p.m. The Town Board wants to initiate a K-9 Unit. We are in the process of trying to secure funds from Ginsburg Association to cover a large part of the cost. The Village of Haverstraw has seen 2-two man street crime units, regular patrol, two sergeants, one lieutenant and detectives in the Village at the same time. At times, we have had 10 officers in the Village of Haverstraw.

The Supervisor stated that he is very pleased to announce that he would like to recognize Police Officer Jose Alveraz for apprehending the two individuals that have been doing the robberies in the Villages. They will be going before a line-up. The police believe that they are the two men. It is because of the added police work that we have been able to catch these individuals. 59% of the Town budget is police and there was \$800,000 of overtime last year.

TOWN BOARD
GARNERVILLE, NY
FEBRUARY 11, 2008

The Village of Haverstraw disbanded their Police Department because it was costing them too much money. There were 10 police officers in the Village of Haverstraw when the burglary occurred.

Verizon has not been connected to the Town police station. The Village of Haverstraw has dragged their feet to get these cameras operating. The Town Board has already stated that we need the Villages and Town to get together and come up with ways to protect the Village. We are dedicated and committed to the Village of Haverstraw.

It will always be a work in progress. We are very happy to see that these two individuals were arrested.

A Town resident from the audience asked what we are doing to protect our teenagers?

Supervisor Phillips stated that the Police Department go out to the grocery stores and send in undercover teenagers to try and buy alcohol and cigarettes. It is an ongoing program that the police are doing and have caught several stores.

The Town also has Haverstraw PAL, Reach Out, Little League and the Town of Haverstraw Youth Board. We also have a Youth Officer and two SRO Officers in the schools.

Sophia Cranage, 16 Forest Drive, Garnerville, NY stated that she was concerned about safety issues of the police and sex offenders. We need to get the public involved through different newspapers regarding serious issues. If the residents or businesses do not feel safe then it's time to reach out to them. Safety is the number one priority. Gangs are growing faster. Sex crimes – doesn't the state law have a time requirement when they move into the area.

Supervisor Phillips stated that you cannot make the law completely to your town. I will have the Town Attorney research the law. We need to also contact other attorneys from other towns and the county attorney, and state council to make sure it's legal.

Supervisor Phillips stated that we reached out to both Spanish speaking newspapers and the Mayor of Haverstraw. We were able to put out a flyer in Spanish notifying the public of the two robbers who were robbing people that were considered to be day laborers or immigrants. Supervisor reiterated that due to the good police work, we caught these two individuals.

Councilman Soto stated that it's great to have citizen participation expressing their concerns. Councilman Soto recommended to have the Town Board minutes translated into Spanish for the Spanish newspapers and the Spanish speaking population in Haverstraw.

Councilman Cancel asked if we could ask the Commissioner of Personnel, Patsy Prendergast if the Police Radio Dispatcher exam could include a Spanish-speaking position.

Supervisor Phillips stated that we will have to meet with Ms. Prendergast regarding lowering some of the qualifications on the Police Radio Dispatcher exam.

Supervisor Phillips read a letter from residents at 299 Westside Ave. in Haverstraw praising the Town of Haverstraw Highway Dept. regarding snow removal.

TOWN BOARD
GARNERVILLE, NY

The Supervisor mentioned upcoming events for the Town such as the 3 Mile Fun/Run Walk, the Multicultural Festival, summer concert series, and 4th of July Celebration.
