PUBLIC PARTICIPATION

Pat Durkin, Quaker Road, Pomona - informed the Supervisor of some of his concerns in the Town.

Supervisor Phillips stated that he would look into them and make sure they would be addressed.

Frances Welsh, Beach Road, West Haverstraw had a question about the date of the Public Hearing for the 2010 Sewer Assessment Roll.

Supervisor Phillips stated that the public hearing was scheduled for two weeks from tonight on Monday, September 28th.

Al Arlitz, 17 Hillside Drive, Thiells asked if the next Town Board meeting could be rescheduled due to the observance of the Jewish holiday, Yom Kippur.

Supervisor Phillips and the Town Board agreed to change the September 28th meeting to Tuesday, September 29th at 8:00 am in observance of Yom Kippur. The Public Hearing for the Sewer Roll 2010 Assessment is also rescheduled to September 29th.

Martin Bagowsky, Oakwood Lane, Thiells stated that he read in the newspaper about the \$1.6 million grant for the chicken plant in New Square. I can understand why you contacted the Attorney General and cried foul. We lost the money and we lost it to a chicken factory, and that doesn't make me feel too good.

Supervisor Phillips stated that it is a disgrace. The State has bailed the city of Yonkers out twice over the last ten years. We need help with Bowline and the Mirant 94% reduction. For us not to receive assistance it is a disgrace. We need to sit down with the Governor's office and see where they can help us. It is a shame that we have to go through this to get their attention. Two years ago we went up to Albany to Governor Spitzer and they said just where exactly is Haverstraw. Are we in the right room? Something has to change in Albany. They have to become accountable to the people they represent. We are going to see what comes of this.

Martin Bagowsky, Oakwood Lane, Thiells stated that a group of young people running ATVs in his neighborhood are making the Police Department look foolish. They hide behind their homes and fly 50 mph down the street on their ATVs. Why can't the police issue warrants and have the ATVs impounded so their parents can come and get them? The police need some kind of comprehensive plan.

Supervisor Phillips stated that you can get them on video. The police cannot go onto a person's property unless they are caught. The people on the ATVs are back to their property before the police get there.

Chief of Police, Charles Miller stated that we have gone up there and spoke to the parents. The police cannot go up there and take the ATVs. We have no right to keep the vehicle. We just have to keep going out there.

Councilman Soto stated that he would like to applaud the statements and the stand taken by Supervisor Phillips in reference to the chicken plant and the denial of the Restore New York Funds to the Town. Our application met all the requirements and our needs were more meritorious than those that were considered. Rest assured that we will continue to explore avenues in order to have our application be reconsidered.

Supervisor Phillips stated that our application was completed and it was an excellent grant.

Burt Singer, 10 Chestnut Drive, Pomona asked if there was a primary in the Town of Haverstraw.

Supervisor Phillips stated there is no primary in the Town, but there is one in the Village of West Haverstraw. We need to send a message this November for everyone to get out and vote.

Burt Singer, 10 Chestnut Drive, Pomona stated that he was shocked that Senator Morahan supported the chicken plant.

TOWN BOARD MEMBERS

Supervisor Phillips stated that we had a great Labor Day weekend. It was absolutely beautiful out and it was nice to see a number of organizations at Bowline. There was the Senior Citizens Picnic and St. Gregory's Parish Picnic.

The Town is getting ready for the Halloween Festival. We are trying to keep the age to 12 years and under. Last year we had a problem and will strictly enforce the 12 years and under. An adult must accompany them.

The Town is moving ahead on purchasing equipment that is needed for the Highway Department. Tonight we approved the purchase of a trailer for the Bobcat mower and to go out to bid for a 1.5 ton roller.

This Friday night, the American Legion is having Johnny Mystro and the Brooklyn Bridge performing.

For the United Way's Day of Caring, the Town is helping the Rodriguez family in Haverstraw. Xenia Rodriguez is a 27-year-old woman who is bed ridden because of a fall in which she struck her head on concrete and severely fractured her skull. She cannot walk or talk and only has minimal movement of her hands and arm and also needs a handicap-accessible ramp to her home. It has been very difficult on her family to bring Xenia in and out of their home. Therefore, the Town of Haverstraw will be utilizing our "Day of Caring" to construct a ramp for Xenia.

TOWN BOARD
GARNERVILLE, NY
SEPTEMBER 14, 2009
