**BOARD MEMBERS**

Supervisor Phillips stated that we have four individuals for the position of Police Officer. We take extremely serious appointing police officers to the department because they are the first line of protection for our citizens. It is an important and enormous responsibility. We chose four people who really represent what we are looking for in a Police Officer and we hope they will come to be exceptional officers in the State of New York. On behalf of the Board Members, congratulations and we wish you the very best. It is a tremendous and awesome responsibility and we think you are up for the job and look forward to appointing you full time. You have our full and complete confidence.
