AGING Tina M. Cardoza-Izquierdo, Director

As health officials urge people older than 60 to stay at home during the coronavirus outbreak, many seniors have no way to get groceries. In response, The Rockland County Office for the Aging has collaborated with our partners to develop a Shopping for Seniors program. Through this program, volunteers will shop for and deliver groceries to seniors 60+ who are unable to leave their homes.

Volunteers will deliver groceries to the senior's doorstep while observing proper social distancing guidelines. This shopping and delivery service will be provided to seniors free of additional charges. Seniors are responsible for their grocery bill.
